12TH MAY 2014

Dear Parents

Welcome Back to School

Welcome back to the 3rd term 2013/2014 session. We hope you had a lovely break.

### School fees

The 2 week grace period for the payment of school fees has lapsed, defaulters will be sent home. Please ignore if you have paid already.

### Bus Ticket

Starting from next session field trips will be once a session so you will be required to pay for bus ticket once a year, every first term along with books.

### PTC

The parent teacher conference which normally takes place every mid term will take place without a presentation this term due to the Health day taking place the next day. Parents will come on the 13th June 2014 to view their children's work and discuss their performance with the teachers from 10am to 12pm. Insha Allah.

### Health Day

We are inviting you to our first health day set aside to discuss health issues as it affects the human body. It will hold on the 14th June 2014 at 9.00am Insha Allah. You are invited to be a parent-participant in this interesting programme.

### Uniform and dressing

This is to remind you that the children are expected to put on the full Usra uniform on school days and sports wear and proper trainers on sports days. The coming to school without socks has become a habit here and the children now look very **lousy**. Although defaulters are often punished that has not stopped the trend.

### Feedback form

We would like to urge you parents to fill and return the feedback form sent out with your children's report cards. It is our goal to provide you with services you will be impressed with and any feedback that will improve the quality of service rendered is very important to us. Please fill and return the form to the office NOT the class

### Punctuality and late pickups

We urge you to still improve on punctuality, bring your children to school by 7.45 am latest and by 8.01 late comers will be asked to pick dirt. We will want to remind you that school closes by 2.00 pm Mon-Thurs and 12.00 noon Fridays. Those doing Tahfeez close by 4.45pm.

### Entrance Examinations

The entrance exams into the secondary classes ( J.S.1 &2) will take place on the 7th June 2014 Insha Allah. The primary and nursery classes will have their exams on the 2nd August Insha Allah.

### Ramadan

There will be no tahfeez class during the month of Ramadan. School will close at 2.00pm Insha Allah.

Below is the term's calendar
